HISTORICAL NOTICE.

IN June, 1858, the First Congregational Church of Chicago opened a Mission Sabbath School on West Washington street, near Wood, and in the following autumn erected a plain wooden building, designed with reference to its possible use, at some future time, as a place of worship.

In 1859, by an agreement made between the officers of the First Church and the Board of Directors of the Chicago Theological Seminary, the building was removed, at the expense of the Seminary, to its grounds, corner of Reuben street (now Ashland avenue) and Washington street, and enlarged at the cost of $1,200; and it was stipulated that the ownership of the building should be conveyed to a Congregational Church whenever one should be formed in that then sparsely settled neighborhood. In October, 1859, the Seminary took possession of it, while the main audience room was devoted to mission uses on the Sabbath.

On the first Sabbath in January, 1860, the Seminary Professors, Haven, Fisk and Bartlett, commenced holding regular Sabbath services in the chapel.

On the 18th of April following, a meeting was called with reference to the formation of a church, and it was unanimously voted to proceed at once in the matter, and a committee was appointed to make the necessary arrangements, including the calling of a council. At a meeting held May 7, this committee reported a Confession of Faith and a Covenant, and also recommended that the rules of the Church government be substantially the same as those laid down in "Punchard on Congregationalism," which recommendation was adopted.

The Council for the organization of the Union Park Congregational Church convened in the Seminary chapel on the 22d of May, 1860. It was composed of pastors and delegates from the Congregational Churches of Chicago. Rev. Jeremiah Porter was

chosen Moderator, and Rev. J. H. Dill, Scribe. The Moderator propounded the Creed and Covenant, and Rev. W. W. Patton expressed the fellowship of the churches. Nineteen persons, whose names are given elsewhere, then entered into covenant with the Church.

C. H. Stoughton was elected Deacon.

The Seminary Professors continued to supply the pulpit until the first Sabbath in October, 1866. They were succeeded by the Rev. Mr. Helmer of Milwaukee, who had accepted a call, the previous August, to become pastor of the Church. He was installed December 20, 1866.

In 1865 the Church building was removed from the north to the south side of Washington street, corner of Ashland avenue, and remodeled and enlarged. It was again enlarged in 1867; but was burned to the ground on the night of February 21, 1869. The corner-stone of the present commodious and elegant structure was laid August 7, 1869. It was dedicated November 12, 1871, and cost about $200,000.

NOTE.—When Mr. Helmer was installed, the entire number of members that had been received into the Church was 211, of whom six had died and 36 had been dismissed to other churches, leaving 172. When he resigned his charge the members admitted had reached 906, of whom 24 had died and 282 had been dismissed, leaving 600.

During Mr. Vanderveer's term of service the number of members received was 145. There were 10 deaths and 92 dismissions to other churches, leaving the whole membership 643.

July 1, 1859 the membership was 608.

ARTICLES OF FAITH AND COVENANT.

THE CREED OF THE CHURCH.

1. We believe in one God, the Father Almighty, Maker of heaven and earth, and of all things visible and invisible;

And in Jesus Christ, his only Son, our Lord, who is of one substance with the Father, by whom all things were made;

And in the Holy Spirit, the Lord and Giver of life, who is sent from the Father and Son, and who together with the Father and Son is worshiped and glorified.

2. We believe that the providence of God, by which he executes his eternal purposes in the government of the world, is in and over all events; yet so that the freedom and responsibility of man are not impaired, and sin is the act of the creature alone.

3. We believe that man was made in the image of God, that he might know, love and obey God, and enjoy him forever; that our first parents by disobedience fell under the righteous condemnation of God; and that all men are so alienated from God that there is no salvation from the guilt and power of sin except through God's redeeming grace.

4. We believe that God would have all men return to him; that to this end he has made himself known, not only through the works of nature, the course of his providence, and the consciences of men, but also through supernatural revelations made especially to a chosen people, and, above all, when the fullness of time was come, through Jesus Christ his Son

5. We believe that the Scriptures of the Old and New Testaments are the record of God's revelation of himself in the work of redemption; that they were written by men under the special guidance of the Holy Spirit; that they are able to make wise unto salvation, and that they constitute the authoritative standard by which religious teaching and human conduct are to be regulated and judged.

6. We believe that the love of God to sinful men has found its highest expression in the redemptive work of his Son, who became man, uniting his divine nature with our human nature in one person; who was tempted like other men, yet without sin; who by his humiliation, his holy obedience, his sufferings, his death on the cross and his resurrection, became a perfect Redeemer; whose sacrifice of himself for the sins of the world declares the righteousness of God, and is the sole and sufficient ground of forgiveness and of reconciliation with him.

7. We believe that Jesus Christ, after he had risen from the dead, ascended into heaven, where, as the one mediator between God and man, he carries forward his work of saving men; that he sends the Holy Spirit to convict them of sin, and to lead them to repentance and faith; and that those who through renewing grace turn to righteousness, and trust in Jesus Christ as their Redeemer, receive for his sake the forgiveness of their sins, and are made the children of God.

8. We believe that those who are thus regenerated and justified, grow in sanctified character through fellowship with Christ, the indwelling of the Holy Spirit, and obedience to the truth; that a holy life is the fruit and evidence of saving faith; and that the believer's hope of continuance in such a life is in the preserving grace of God.

9. We believe that Jesus Christ came to establish among men the kingdom of God, the reign of truth and love, righteousness and peace; that to Jesus Christ, the head of this kingdom, Christians are directly responsible in faith and conduct; and that to him all have immediate access, without mediatorial or priestly intervention.

10. We believe that the Church of Christ, invisible and spiritual, comprises all true believers, whose duty it is to associate themselves in churches for the maintenance of worship, for the promotion of spiritual growth and fellowship, and for the conversion of men; that these churches, under the guidance of the Holy Scriptures and in the fellowship with one another, may determine—each for itself—their organization, statements of belief and forms of worship; may appoint and set apart their own

ministers, and should co-operate in the work which Christ has committed to them for the furtherance of the gospel throughout the world.

11. We believe in the observance of the Lord's Day, as a day of holy rest and worship; in the ministry of the word, and in the two sacraments, which Christ has appointed for his church: Baptism, to be administered to believers and their children, as the sign of cleansing from sin, of union to Christ, and of the impartation of the Holy Spirit; and the Lord's Supper, as a symbol of his atoning death, a seal of its efficacy, and a means whereby he confirms and strengthens the spiritual union and communion of believers with himself.

12. We believe in the ultimate prevalence of the kingdom of Christ over all the earth; in the glorious appearing of the great God and our Savior Jesus Christ; in the resurrection of the dead; and in the final judgment, the issues of which are everlasting punishment and everlasting life.

FORM OF ADMISSION TO MEMBERSHIP.

"What shall I render unto the Lord for all his benefits towards me? I will take the cup of salvation, and call upon the name of the Lord. I will pay my vows unto the Lord now in the presence of all his people."

"Whosoever therefore shall confess me before men, him will I confess also before my Father, which is in heaven; but whosoever shall deny me before men, him will I also deny before my Father, which is in heaven."

"For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation."

Dearly beloved, called of God to be his children through Jesus Christ our Lord, you are here, that in the presence of God and his people, you may enter into the fellowship and communion of his Church. You do truly repent of your sins; you heartily receive Jesus Christ as your crucified Savior and risen Lord; you consecrate yourselves unto God and your life to his service; you accept his Word as your law, and his Spirit as your Comforter and Guide; and trusting in his grace to confirm and strengthen you in all goodness, you promise to do God's holy will, and to

walk with this Church in the truth and peace of our Lord Jesus Christ.

Accepting, according to the measure of your understanding of it, the system of Christian truth held by the churches of our faith and order, and by this church into whose fellowship you now enter, you join with ancient saints, with the church throughout the world, and with us, your fellow-believers, in humbly and heartily confessing your faith in the Gospel, saying :

I BELIEVE in God the FATHER Almighty, maker of heaven and earth; and in JESUS CHRIST; his only Son, our Lord, who was conceived by the HOLY GHOST, born of the Virgin Mary; suffered under Pontius Pilate; was crucified, dead and buried; the third day he rose from the dead; he ascended into heaven; and sitteth at the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead. I believe in the HOLY GHOST; the holy catholic Church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.

(*Baptism will here be administered to those who have not received it in infancy.*)

BAPTISMAL PRAYER.

(*Those received by letter will now rise.*)

Confessing the Lord whom we unitedly worship, you do now renew your self-consecration, and join with us cordially in this, our Christian faith and covenant.

(*The members of this Church will now rise in their places.*)

We welcome you into our fellowship. We promise to watch over you with Christian love. God grant that, loving and being loved, serving and being served, blessing and being blessed, we may be prepared, while we dwell together on earth, for the perfect communion of the saints in heaven.

"Now the God of peace, that brought again from the dead our Lord Jesus, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do his will, working in you that which is well pleasing in his sight, through Jesus Christ, to whom be glory forever and ever. Amen."

STANDING RULES.

I. OFFICERS AND THEIR DUTIES.

1. The essential officers of this Church shall be a Pastor and Deacons, as provided for in the Scriptures. The Deacons shall be four or more in number.

2. For the further ordering of its affairs the Church shall also appoint a Standing Committee, and a Clerk, who shall also be Treasurer.

3. To the Pastor pertains the preaching of the Gospel, the administering of the Sacraments, the conducting of public religious services, and the general spiritual oversight of the Church. He shall also, if present, act as Moderator in all business meetings.

4. It shall be the duty of the Deacons to act as spiritual helpers of the Pastor, to prepare for and assist in the celebration of the Lord's Supper; to receive and distribute the charities of the Church, and, in the absence of the Pastor, to provide for the conducting of the social religious meetings, and preside in the business meetings; and whenever there is no settled Pastor or stated provision for preaching, the supply of the pulpit shall rest with the Deacons. They shall make an annual report of their doings, embodying therein suggestions touching the spiritual condition and wants of the Church. They shall be elected for a term of six years, and shall be so divided into classes that not more than one-third the number shall be elected at the same time.

5. The Standing Committee of the Church shall consist of the Pastor and Deacons and four or more members, to be chosen annually. They shall examine all the candidates for admission to the Church, previous to the more public examination by the Church, and advise as to their further examination. They shall receive all complaints against members of the Church, and if, after investigation, they be deemed of sufficient importance, shall report

the same to the Church for further action. They shall also transact such other business as shall be assigned them, from time to time, by vote of the Church.

6. It shall be the duty of the Clerk and Treasurer:

First—As Clerk, to keep a faithful record of all the doings of the Church; to keep a list of all the members of the Church; showing the time and mode of their admission and of their dismission; to keep a list of all children baptized, with the names of both parents; and to present, at each annual meeting of the Church, a full statistical report of the Church for the year preceding.

Second—As Treasurer, to receive all moneys belonging to the Church, and to disburse the same in accordance with the special purpose for which the funds are raised; and to present at each annual meeting of the Church a complete and full account of all his receipts and expenditures during the year preceding, with proper vouchers therefor. He shall be elected annually.

7. All officers of the Church, except the Pastor, shall continue to serve until their successors are duly elected, unless excused by vote of the Church.

II. REGULAR AND SPECIAL BUSINESS MEETINGS AND ELECTIONS.

1. The Annual Business Meeting of the Church shall be held on the first Wednesday evening after the second Tuesday in December of each year, and the order of business shall be as follows: 1. Prayer. 2. Reports of Officers—Deacons' report, Clerk's report, Treasurer's report, report of S. S. Superintendents, report of Standing Committee. 3. Election of officers. 4. Miscellaneous business.

2. A regular business meeting of the Church shall be held upon the first Wednesday evening of each month, at such hour as the Pastor may select; but special business may be transacted at any regular meeting of the Church.

3. Every member of the Church in regular standing shall be entitled to vote on all questions coming before it for decision, and in all elections.

4. The election of all the stated officers of the Church shall be by ballot.

5. A majority of all votes cast shall be sufficient to determine all questions presented.

6. Whenever any vacancies in the stated offices of the Church shall occur between the annual meetings, they may be filled at any regular business meeting of the Church, provided a notice shall have been given one week previously.

III. CONTRIBUTIONS.

1. The Church shall adopt, at each annual meeting, a scheme of objects for which collections shall be taken during the year, and the Pastor shall present, or cause to be presented, these objects, each in its proper time.

2. Other objects may be presented for contributions whenever it shall be deemed advisable by the Pastor and a majority of the Deacons, determined upon in conference, as a Board of Pastor and Deacons.

IV. ADMISSIONS AND DISMISSIONS.

1. All persons desirous of making a profession of religion and uniting with this Church, shall be examined at a regular Church meeting, and the names of such as are approved by vote of the Church shall be publicly propounded at least one week previous to the time of their admission, and they shall become members by publicly adopting our Articles of Faith, entering into covenant, and receiving the sacrament of baptism, if they have not been before baptized.

2. Members of other churches desiring to unite with us shall deliver the proper testimonial to some officer of the Church, who shall cause the same to be presented to the Church, and if, after assenting to our Articles of Faith, the Church shall vote to receive them, they, having been publicly announced at least one week, previous to Communion, shall become members by publicly entering into covenant with this Church.

3. It shall be the duty of any member who may know of any reason why a candidate for admission should not be received into the Church to make such reason known to the Pastor or Deacons, and if they deem it sufficient ground for the rejection of such candidate, he may afterwards make it known to the Church.

4. Any member of this Church desiring a letter of dismission from this, and of recommendation to any other Church, shall make known his request to the Pastor or to some one of the Deacons, who shall present it at the next business meeting; and the letter, being granted by vote of the Church, shall be in form as determined by the Church, and shall be prepared and signed by the Clerk. Such person shall, however, be deemed a member of this Church until proper notice of the use of the letter of dismission is received from the Church to which the letter has been presented.

5. Members removing beyond our bounds, and neglecting for more than one year to ask such letters, or to assign satisfactory reasons for such neglect, may receive letters certifying to their good standing only up to their time of leaving.

6. Letters may be granted to any other Evangelical Church besides those of our own Order.

7. Any person withdrawing from this Church, without asking for a letter of dismission, and uniting with another Church, shall be considered as having acted in a disorderly manner, and a minute to that effect shall be entered upon the records.

V. CHURCH DISCIPLINE.

1. Every member shall be entitled to all the privileges of this Church, unless forfeited by misconduct, and when thus forfeited he can be deprived of them only by the processes herein provided.

2. It shall be the duty of every member of this Church, on becoming acquainted with the fact that any disciplinable offense has been committed, immediately to seek to have the cause of complaint removed, the direction given in Matt. xviii., 15-17, being his guide. If his personal efforts fail, he shall then make

his complaints to the Standing Committee, who, if the cause be deemed sufficient, shall prefer charges before the whole Church, and in case the Committee refuses so to do, the complainant may, nevertheless, if he insist upon the charges, present his complaint in person to the Church.

3. When any member is accused before the Church, he shall be seasonably furnished with a copy of the complaint against him, with the names of the witnesses who may be called to testify against him, and he shall be allowed a full hearing, ten days' notice, in writing, of the time and place of such hearing having first been given the accused. But while the trial is pending he shall be expected to abstain from participating in the Lord's Supper.

4. This Church regards as censurable offenses, all immoral conduct, breach of expressed covenant vows, neglect of acknowledged religious duties, and avowed disbelief of the fundemental doctrines of the Gospel.

5. The censures inflicted on offenders shall be private reproof, public admonition, temporary suspension from church privileges, public withdrawal of fellowship, and excommunication, according to the aggravation of the offense; and in case of excommunication or public withdrawal of fellowship, notice thereof shall be given from the pulpit, on the Sabbath, with the reasons therefor.

6. In cases of peculiar delicacy, in which a public trial would be offensive to decency and good morals, the proceeding may be begun, and the trial conducted before the Standing Committee. The Committee shall report the substance of the case, only, to the Church, and their finding as to the guilt of the accused party, and what action of the Church they recommend. Upon their report the Church may proceed to discipline, according to the aggravation of the offense.

7. In cases where the facts constituting a disciplinable offense are public and notorious, or in which a member of this Church shall have been adjudged guilty of criminal or immoral conduct in a court of justice, or shall have escaped conviction on a technicality not affecting his moral guilt, the Standing Committee may begin proceeding of discipline, informally, and if, upon full and

impartial investigation, they see good cause for so doing, they may present the case to the Church for its summary discipline, according to the aggravation of the offense. In acting upon such cases neither the Committee nor the Church shall be bound by the formalities of ecclesiastical procedure for ordinary cases of discipline.

8. Whenever any member of this Church, in good and regular standing, shall, in writing, request that his relations with the Church be dissolved, the Standing Committee shall investigate the matter and inquire into the reasons for such a request, and if there be no immoral conduct chargeable against such member, and faithful efforts to reclaim him have proved ineffectual, the Church may, upon recommendation of the Standing Committee, drop his name from the roll without censure.

VI. STATED RELIGIOUS MEETINGS.

1. The Church shall hold its Sabbath services at the usual hours of morning and evening service.

2. A Church prayer-meeting shall be held upon Wednesday evening of each week.

3. The sacrament of the Lord's Supper shall be administered upon the first Sabbaths of January, March, May, July, September and November. Preparatory services shall be held at such times as the Pastor may deem most suitable. In connection with each communion service a special collection shall be taken to aid the poor of the Church and for other purposes.

4. A monthly concert of prayer for the conversion of the world shall be observed upon the first Wednesday evening after the first Sabbath of each month, at the close of which a collection shall be taken for missionary purposes.

VII. SABBATH-SCHOOLS.

It shall be the duty of the Church to organize and maintain, within its bounds, Sabbath-schools where religious instruction can be given to all classes. The Superintendents of these schools shall make reports to the Church, at its annual meeting, of the condition and the wants of their respective schools.

VIII. COUNCILS.

In cases of difficulty in the Church which cannot otherwise be adjusted, or between the Pastor and the Church, or when a member shall feel aggrieved by the action of the Church, also in the settlement and dismission of a Pastor, resort shall be had to advisory councils, according to the approved usage of Congregational churches.

IX. ALTERATIONS AND AMENDMENTS.

1. These rules may be altered or amended at any regular business meeting of the Church, notice of the proposed change having been given publicly at least one month previously, and also announced the Sabbath next preceding the meeting.

2. No change shall be made in the Articles of Faith or Covenant or in the Church polity, except by a vote of three-fourths of the members present, at an annual meeting, or a meeting specially called therefor, by a notice four weeks previously, from the pulpit, on the Sabbath; nor shall such alteration be considered unless a notice containing the substance thereof shall have been given in writing at the previous regular meeting; nor shall such change, when made, be binding on the consciences or rights of the non-consenting minority, provided they present a written protest within one month after said action.

BASIS OF UNION

BETWEEN THE CHURCH AND SOCIETY.

ARTICLE I. In general, all the spiritual interests and arrangements connected with public worship shall be under the exclusive control of the Church, and all the financial and other secular interests and arrangements of the congregation shall be under the exclusive control of the Society. The Society shall hold the property, receive the income, and make all pecuniary engagements, appropriations and payments.

ART. II. In calling a Pastor, the Church and Society will act as concurrent bodies, a majority of each being necessary to constitute a call, the Church nominating and the Society confirming or rejecting the nomination.

ART. III. Whenever there is no settled Pastor or other stated provision for preaching, the supply of the pulpit shall rest with the Deacons.

ART. IV. The arrangements for sacred music shall be made by the Deacons of the Church jointly with the Trustees of the Society.

ART. V. The appointment of the Sexton and of his salary shall belong to the Society.

ART. VI. The Pastor shall have liberty to use the church edifice at his discretion, to promote the spiritual interests of the Church and congregation; and the Church may also use the same for any meetings of a spiritual nature; but for all other purposes the control of the building shall be with the Society or its Trustees, who shall, however, not allow it to be used for unworthy or improper purposes, nor put it to any use which interferes with the arrangements of the Church and of its Pastor.

ART. VII. The Basis of Union, when mutually adopted by a separate vote of the Church and of the Society, can be altered or rescinded, in whole or in part, only in the same way.

CONSTITUTION OF THE SOCIETY.

ARTICLE I. This Society shall be called the "UNION PARK CONGREGATIONAL SOCIETY OF CHICAGO," and all persons of lawful age, being lessees of any pew, or part thereof, in the Church, shall be deemed members of the Society, and entitled to vote and eligible to office.

ART. II. There shall be annually elected five Trustees, who shall hold the property and manage the pecuniary affairs of the Society according to the laws of this State. They shall be subject to a directing vote of the Society, and shall have no power to buy, sell, mortgage or transfer real estate without specific authority by vote of the Society. EXPLANATIONS.

l. Signifies that the person was received by letter from another Church.

The name printed in *italics*, following the Christian name of a lady, was her name before her marriage.

The initials in parenthesis ( ), following the name of a lady, stand for the Christian name of her husband.

The letter w, preceding the husband's name, is to be read "widow."

NOTE.—As this Manual is not issued till after the first of January following the Annual Meeting, it is thought better, for the convenience of all concerned, to print in the names of those received at the January Communion, though their names do not appear in the official reports until the next Annual Meeting. This year one hundred and four of these new names are printed in addition to those officially reported.

NOTE.—Members of our Congregation often want reliable clerks, salesmen, etc., and there are always those in our Sabbath School in search of such places. A Committee on Employment has been appointed to aid in bringing these two classes together. The names of the Committee will be found on page 51 of this Manual. If the people of the Church will keep this in mind, and, when in need of help, notify some one of this Committee, a reliable employe can probably be obtained. There are many young people in our Sabbath School for whom we could do nothing better than to provide them with honorable employment, where their surroundings would be pure and elevating.

THE MISSION BAND.

SECRETARY'S REPORT.

The Mission Band has held its meetings once a month, on Sunday afternoon, studying about the countries of China, Japan, India, Turkey, and Micronesia.

Some of our meetings have been made more than usually interesting by having with us some of the Missionaries, among whom were Mr. Gates of Turkey, Miss Haven and Miss Dr. Murdock, from China.

We have found that the best plan has been to divide the Band into classes, with the older girls for teachers. The teachers meet the first Monday in the month to study the lesson for the next Sunday, with the help of the President.

We have had a very good attendance, and everything looks prosperous for the coming year.

December 9, 1891.

SECRETARY'S REPORT.

It is due to the wise plans and well directed efforts of the various officers and committees, with the hearty co-operation of the members, that the Christian Endeavor Society reports such a successful year as the last one has been. The total membership is 142—110 active, 21 absent, 7 associate and 4 affiliated members—a net gain of 39.

During the year death has taken another of our members, Mrs. Harriet Whittlesey Wagner. The memory of her earnest work in the early history of the Society will be lovingly cherished by all who knew her.

Two new committees have been organized—the Pastor's Aid, whose field of labor is clearly perceived by its name, is composed of the Vice-President and the Chairmen of the several committees. The Associate Membership Committee was formed to bring as many of the young people as possible not connected with the Society under its influence.

Fourteen of our members attended the Christian Endeavor Convention at Minneapolis. They brought back with them such enthusiasm and consecration that the whole Society was greatly blessed. At the Convention these fourteen members promised, with God's help, to lead, at least, some one person to Christ in the coming year. When they returned the whole Society was given an opportunity of making the same pledge, and all who were present did so. Many have already fulfilled this promise, and have found great joy and blessing for themselves in the service.

At our annual meeting our Pastor was presented with a certificate of life membership in the United Society of Christian Endeavor.

Bulletins announcing the different services of the week have been placed on the church.

The earnest and successful work of the young people during the summer months has received widespread recognition. The Christian Endeavor Society also took a very active part in the Mills meetings, and a great deal of work was cheerfully and earnestly undertaken and successfully accomplished. Since the

Mills meetings there has been an increase of twenty-two in the average attendance.

The Christian experience of the members has been enlarged, their consecration increased, and their earnest purpose strengthened to "go straight forward" in work for Christ and the Church.

ETHELWYN CHARLES, *Recording Secretary.*

REPORT OF
YOUNG LADIES' MISSIONARY SOCIETY.

A meeting of the young ladies of the Union Park Church was called on Thursday, October 16, 1890, for the purpose of organizing a Young Ladies' Missionary Society.

A committee was appointed to draft a constitution and to nominate such officers and committees as should be created. A pledge of $225 was taken, two-thirds to go to the Woman's Board of Missions and one-third to the City Missionary Society.

In April the Society held a Bag, Basket, and Cushion Bazaar, the proceeds to be used as a nucleus for a Contingent Fund.

Ten regular meetings and two prayer meetings have been held. The average attendance was about twenty.

Following the programs in the Mission Studies the following subjects were presented: "Glimpses of Christ's present Triumphs," "Ceylon," and "The Madura Mission;" also a "Covenant Meeting." Letters and items from the field have been heard, and informal talks have been given by Mrs. Peck and Miss Haven of China.

We have had one bereavement in the death of Mrs. Wagner.

The Treasurer's report is as follows:

ARTHUR DAVENPORT, *Secretary and Treasurer.*

Chicago, December 8, 1891.

The Treasurer's account has been audited by me and found correct. R. E. JENKINS.

December 9, 1891.

SUPERINTENDENT'S REPORT.

We had the usual festivals and picnics. Our average attendance has been somewhat less than last year. But in September the attendance began to increase and is now very good. The Kindergarten which was started last Fall was continued till May

at a cost of $259.09. This was all paid by members of Union Park Church, instead of one-half being paid from outside, as promised.

Besides this the Sunday School furnished fuel and janitor service. Preaching services have been held morning and evening and the congregation is increasing. Rev. R. H. Harper officiated till his health failed in April. Since then Rev. G. L. Smith has been Pastor. The Girls' Industrial School under Mrs. Munger's care, the Young People's Society of Christian Endeavor, led by Miss Palmer, and the Junior Young People's Society of Christian Endeavor, led by Mr. and Mrs. Marcusson, are all healthy and active. There is one notable event to be mentioned. We have moved from our old rooms on 12th Street to our own new building at 198 South Paulina Street, erected on the lots bought last year.

The building is 60x102 feet, one-story high except the front, 27 feet of which was made two-stories in height to give it symmetry. This makes a pleasant and commodious parsonage.

The lots and buildings cost in round numbers $18,000, and this money, with the exception of small sums raised on the ground, was provided by the Union Park Church and Society. The Church is called the "Porter Memorial" in honor of the Rev. Jeremiah Porter. He was present at the dedication November 29, and notwithstanding his 86 years, gave a most interesting account of the founding of the first Church in Chicago by himself, when the town had only 300 inhabitants. Our Church was dedicated free from debt—the expenses are all paid to December 1—a new Superintendent takes hold with the New Year.

SUPERINTENDENT'S REPORT.

Notwithstanding the loss sustained through the resignation of our former Superintendent, Mr. G. C. Howland, we have much to be thankful for during the year.

The church, under the able pastorate of Mr. G. W. James, and his assistants, H. W. Jamison and T. D. McLean, of the Chicago Theological Seminary, has been very prosperous. As a matter of course, that means new pupils in the Sunday School, new workers in the Endeavor Society and new faces in the church audience. Too much cannot be said in praise of the Pastor and his assistants, for their diligent efforts in behalf of Oakley.

The only deterioration in our school has been in the matter of attendance, but that has been doubly compensated for in the spiritual growth which has been so conspicuous during the past few months.

The average attendance has been nearly 300; new scholars 94; the contributions exceed those of last year; the library has been replenished to the extent of $50, and the usual benevolent objects

have been provided for. Indeed, the future of Oakley is very promising.

The Lord has blessed us—"our cup is full to overflowing." One hundred and forty children, young men and women have recently confessed Christ; some renewing their covenant and others expressing a desire to lead a Christian life. Should our hearts not be filled with thankfulness to God for his great goodness to us—for health and strength, that our lot has been cast in a Christian land, and that He so bountifully supplies not only our temporal but our spiritual wants?

I would be unmindful of my duty were I not to speak of the valuable services rendered by Mr. F. M. Hicks, the Assistant Superintendent, and the various officers, and the able corps of teachers. Their kind words of sympathy and encouragement have been a great source of help to the Superintendent—an incentive to do what he could not have done without their assistance and their prayers.

May God bless the Sunday Schools and their work!

F. G. ORCUTT, *Superintendent.*

REPORT OF PRIMARY DEPARTMENT.

No very marked events have signalized the past year in the history of this department, but it has been a year of quiet, earnest work, such as we trust has not been without results.

The Teachers' Meeting has been regularly held, and has grown in interest, and is also attended by a few of the older scholars, so that in case of absence among the teachers there is usually some one prepared to act as substitute.

The Christmas Festival was greatly enjoyed by the little ones, not the least of their pleasure consisting in their offering to make happy a Mission School among the Bohemians.

Another happy day was spent at Douglas Park in July.

In June twenty-five children were transferred to the main school. Of these, twenty passed the regular examination for pro

motion. We parted from them with regret, for their eager attention to the lessons, and intelligent answers, were an example and inspiration to the younger children.

For several weeks there had been evident an increased thoughtfulness on the part of many of the children, and when, on the 8th of November, the question of personally accepting Christ was presented to them in simple words, they seemed ready for it. I think none of us will soon forget the hush and earnestness of that hour. Over sixty — nearly all the older ones who were present — signed the following card: "I will take Jesus Christ for my Saviour, and will show my love for Him by trying to do always as I think He would like to have me do." This simple pledge occupies a place in all these homes, where it can be readily seen by the child whose name is attached to it, as a reminder of the promise made to Jesus.

May He who said, "Suffer the little ones to come unto me," give to us the love and faith and wisdom so to feed and watch over the lambs of His flock that at last they may all be gathered safely into the upper fold!

BELLE M. SPENCE, *Superintendent.*

PASTOR'S REPORT.

Our work at the Oakley Branch has moved steadily on during the year. We have not accomplished as much as we had hoped, yet there seems to be a deepening interest in spiritual things, and a desire on the part of all to see the Lord's work prosper.

Since October, two students from our Seminary have ably assisted the Pastor. Mr. T. D. McLean preaches once in two weeks, and devotes Saturday afternoons to visiting. Mr. H. W. Jamison leads the singing in Church and Sunday School. The active members of the Church are organized into committees for work. The preaching services are well attended, and the mid-week Prayer Meetings, with an average attendance of forty, are of special interest and spiritual power. Sixteen persons have united with the Church during the year, twelve on confession of faith.

The Young People's Society of Christian Endeavor is a new department of our Church work. We organized last June with six active members. At present there are thirty active and ten associate members—a total of forty. The success of the society is largely due to the efficient services of Miss H. M. Schmid, who, since July has worked faithfully among our young people. Miss J. Benz has also rendered valuable service. The junior society has fifty members, and is doing good work.

The Sunday School, under the able leadership of Mr. F. G. Orcutt, is an important factor in the growth of the Church. Many of the scholars, since the beginning of the Mills meetings, have expressed a desire to lead a christian life, and a spiritual growth is felt among the members of the Church. A permanent Pastor, who can devote his whole time to the work, should be secured for the field as soon as possible.

No one deserves more praise than Miss Spence, whose work has been so ably, cheerfully and successfully done. The people come near the truth when they say, "Miss Spence has kept our Church alive through its whole history." We close the year with thanksgiving to God for the blessings he has given to us.

In closing, we desire to express our hearty thanks to the friends from Union Park, who have helped us in our services of song.

GEORGE W. JAMES, *Pastor*.

LIBRARIAN'S REPORT.

Our library is now in better condition than it has been at any time since the organization of the school. Through the efforts of our former Superintendent, Prof. George C. Howland, fifty dollars was raised to replenish the library, by a lecture given at the home Church. This sum was expended in the purchase of forty-seven new books and re-binding sixty-three of the old ones, making a total of two hundred and fifty-seven volumes now in the library. About one hundred of the scholars take books regularly.

Respectfully submitted,

JOHN A. WILFERTH, *Librarian*.

PRIMARY LIBRARIAN'S REPORT

Library books which required binding have been sent this year along with the main library books to be bound.

There are now on hand in this department of the library 196 books that await distribution; 53 of this number are of the 99 new books added in March, 1890.

A record is kept of the books drawn out by scholars and the length of time they have retained them, which should not exceed two weeks.

December, 1891.

REPORT OF THE SUPERINTENDENT OF THE PRIMARY DEPARTMENT.

After brief illnesses, four of our little ones have entered the heavenly home—Clara Sandy, Mortimer Spooner, Eddie Eldridge and Robbie Watson. It is a comfort to the parents and friends to recall the ways in which these children tried to follow the example and teachings of their Savior.

Nearly one-half of our teaching force has changed, the chief cause being removals, but at no time has the work suffered, for willing hearts have been ready to respond to every need. Some who have gone to other fields had rendered years of faithful service in our midst. The attendance and interest have been good.

It is a continual surprise to notice from what varied surroundings our children are gathered. In many homes, the only religious influence comes through the instruction of the little ones in the Sunday School. It is a point of interest that we have this year enrolled three little girls from Constantinople, Honolulu and India. Who can tell how far the influence of the Union Park Sunday School may extend?

There were special exercises at Christmas time, Easter and Children's Day, in which the primary department participated. The Christmas offering was appropriated to Miss Haven's work in China. At Easter the children bought a bible for the primary room, which is marked with the weekly Golden Texts, and in which is kept the names of graduates, and a record of the deaths. With the Thanksgiving collection, a picture of "Christ in the Temple" was bought for the new primary room of Porter Memorial Church.

Three classes and one teacher were transferred to the main room in June.

Instead of the usual picnic a "Butterfly Party" was given in September in the large room, attended by 250 children, who spent two happy hours together, and carried home pretty little paper butterflies as souvenirs.

The recent Mills meetings were not without a blessing to the children, many of whom are trying to follow the teachings of the Holy Spirit. May He guide them into all the truth.

MRS. JOHN BRYNER, *Primary Superintendent.*

FURTHER REPORT OF THE SUPERINTENDENT.

The close of another year finds our school in a condition which in many respects is more favorable and more encouraging for the future than ever before.

There have been a great number of unavoidable changes in our working force during the past two years. In looking over the list of teachers two years ago I find only eighteen out of the whole number who are now teaching the same classes as then. Nearly forty of our present teachers are new, within two years. Such frequent changes are very detrimental in many ways, and it is almost impossible to change teachers without losing scholars. At present, however, our classes are all supplied with regular and competent teachers, and others equally good are ready for service when needed.

Our Teachers' Meetings have been regularly held except during the Mills meetings and a few weeks in mid-summer, and with better attendance than last year.

Twenty-five members of our school have already united with the Church on confession of faith during the year, and a very large number are now expecting to unite at the next communion. Of the number who have signed cards during the Mills meetings, signifying their desire to lead a christian life, 133 took this important step during the sessions of our own school. This large num-

ber of converts, more than any other thing, fills our hearts with gratitude, hope and courage.

A Junior Christian Endeavor Society formed among our scholars should, and doubtless will be, a valuable means for encouraging and developing these young beginners in the christian life.

During the year the marked improvement in our Sunday School singing has been commented upon by many visitors. For this, credit in large measure is due to our efficient leader in singing, Mr. Hicks.

The continuation of the present practice of introducing with the familiar Gospel Hymns, occasional musical selections of a more churchly and dignified character which will be remembered with pleasure when the more ephemeral pieces are forgotten, would, I believe, be of benefit to the school.

Written examinations have been continued each quarter during the year. Bible search questions given weekly during the past three months have proved an incentive to bible study, as well as an occasion for friendly competition among our brightest scholars. More classes than formerly bring their bibles and use them, being encouraged to do so by merit marks in the class-books and favorable mention in the "Record." Public services in the Church have been held Christmas and Easter Sundays and on Children's Day, in which the exercises were conducted mainly by the Sunday School, and were occasions of much interest and profit, and were all very largely attended.

Our library has not been replenished with any considerable number of new books for two years, though about 100 volumes have been re-bound and put back into circulation during the past year. A liberal appropriation for new books the coming year would be a wise expenditure.

We have undertaken, in addition other appropriations and expenses, as shown in the Treasurer's report, to raise $500 for the new Porter Memorial Church, $200 of which has already been paid over. The remainder should be raised and a few outstanding bills paid as soon as practicable.

The school held a very enjoyable picnic, at St. Charles, by

invitation of Deacon Butler, who hospitably entertained many of the officers and teachers at his house, and made a liberal contribution to the picnic expenses.

In relinquishing the office of Superintendent, which I have held for the past two years, in favor of one so experienced and so successful as my honored friend and predecessor, Mr. Jenkins, I confidently bespeak from our teachers the same harmonious support, and promise him from myself the same hearty co-operation that I have enjoyed during my superintendency.

I regret that pressure of other work has not permitted me to do as much visiting or cultivate as intimate personal acquaintance with members of the school as I might profitably have done under other circumstances. This, more than any other one reason, has led me to give up this work, which, though arduous, has proved in most respects so delightful, because seemingly so fruitful, while I have been engaged in it.

J. H. TEWKSBURY, *Superintendent.*

LADIES' BENEVOLENT SOCIETY.

The year's work of this Society closed with the annual meeting, held September 30th, 1891.

There were held during the year thirteen (13) regular meetings, with an average attendance of 90.

Mrs. Wm. Ripley, Chairman of Directresses, reports 509 garments made, and distributed as follows:

Half-Orphan Asylum, Protestant Orphan Asylum, Truant Aid Society, Hospital for Women and Children, West Side Woman's Christian Association, poor families in our Church, 8 boxes and 11 barrels sent to Home Mission field.

Mrs. A. M. Forbes, Treasurer, reported money raised by the Society as follows:

REPORT OF THE

WOMAN'S FOREIGN MISSIONARY SOCIETY.

Auxiliary to the W. B. M. I.

The annual meeting of this Society was held January 21, 1891, when reports were read and officers elected.

Regular meetings have been held in connection with the Benevolent Society, when letters or addresses from missionaries are heard, together with any news from mission fields that can be gleaned for our stimulation and profit.

We have a monthly missionary prayer meeting, to which we should welcome a larger number, who would be glad to join in prayer for the success and increase of mission work at home and abroad.

The return of Miss Ada Haven, for eleven years our missionary to Pekin, China, has been one of the events of the year. It has been a delight to hear her voice, and her words have been an inspiration and encouragement.

We have had, through our delegates, interesting reports from the various meetings of the W. B. M. I.

The annual thank offering meeting, in which the Young Ladies' Society joined, was held October 8. Our Treasurer reports contributions for the year amounting to $1,262.15. This includes a gift of $100 from an "unknown friend."

MRS. E. J. HARKNESS, *Secretary.*

REPORT OF CHURCH VISITOR.

The first thought suggested by a review of the year's work is thankfulness for physical strength sufficient for the need.

Often the most difficult question that meets the Visitor as the work of the day is to be planned, is to decide which are the most essential things to be done. Sometimes the number of even these seems more than can be accomplished, but night finds them and some other desirable things done; and rest comes with the thought that having committed one's time and way to the Lord, what cannot be done we are not responsible for, no matter how necessary it may seem.

The general line of work has been the same as in previous years, and need not be entered into in detail.

The Oakley Sewing School was held every Saturday afternoon for six months with all the interest and profit of former years.

The proposed introduction of sewing into the public schools may make this branch of work unnecessary, but we shall await clear indications that it is so, being slow to abandon the opportunity for influencing for good the lives of many we could not otherwise reach. The art of sewing is but a small part of what we believe the girls learn in these afternoon hours.

The ladies' missionary meeting and that for children, in connection with the Junior Christian Endeavor Society, have been held monthly, and each of these Societies contributed $18.00 to the treasury of the W. B. M. I. the past year. Those trained in the Mission Band are coming forward as active workers in the Missionary meetings of the Senior Christian Endeavor with a spirit and earnestness that encourage the expectation that when they come to be the men and women of the church it will be marked by a strong missionary spirit. Last Sunday evening the children and young people had the great pleasure of listening to Miss Haven, in whose work in the Bridgman School in Pekin they have so long been

interested. The evening was stormy but they could not miss the opportunity of hearing one they have prayed for so long, and the house was well filled with most attentive listeners.

Of the general condition of the work at Oakley you will hear from others. Less visiting has been done there than in former years for the reason that it has been so thoroughly and successfully done by the Pastor and his assistants, and by the people, organized and directed by him, that the work in the home field seemed more imperative.

For relief of the needy I have received from the Deacons' fund $200, and from individuals $69.75, and from the Christian Endeavor Society for Thanksgiving dinners $15.41, making a total of $285.16.

Part of the money received from individuals was given as a special fund to be used at the discretion of the Visitor for cases when she would not feel at liberty to use Church funds.

I am also indebted to the Ladies' Benevolent Society for a very liberal supply of new and excellent bedding and clothing for women and children that has made glad the hearts of hard-working mothers and little children, who would otherwise have suffered from the cold.

The arrangement for the social work of the Church, inaugurated last year, of asking all the ladies of the Church whose health and home duties will possibly permit, to share in the pleasure of welcoming the new members by calling upon them, proved so satisfactory that it was decided to continue it this year. The number of strangers is so large that no one could call upon all, so a list is made for each lady by the Chairman of social work of 5 or 6 names of those who have recently come among us, who live near to her, upon whom she can call. This does not hinder any one from calling upon as many others as she can, and does avoid the danger of some being overlooked. It is hoped that strangers will look upon calls received not as "duty calls," in the sense the words are sometimes used, but as an expression of the loving interest the Church, through its individual members, extends to all who enter its fellowship, to welcome them to a share in the work committed to this Church by her Glorified Head.

If the spirit of His new commandment "That ye love one another as *I* have loved you" has entered into our hearts, surely this service for the Church He so loved will not be looked upon as an irksome duty, but rather as the privilege of love.

To all of us who have prayed and waited with longing anticipation for an outpouring of the Holy Spirit in our midst, the crowning joy of the year, as indeed of all the years of our work together, has come to us in the November days, when, for more than three weeks, we gathered morning after morning in our own little prayer meeting, and afternoon and evening with the great congregation, to listen to the Lord's message as brought to us by His messenger—accredited as such by the wonderful power of the Spirit that accompanied his preaching—searching the heart, illuminating the divine word and greatly strengthening our faith and love.

In many hearts, we are sure, there has been awakened a more earnest desire to know Christ, and be wholly given up to do His will. We have also had the joy of answered prayer and of seeing hundreds coming to Christ.

Before this Church is opening now, opportunity for a year of such service as has never been presented to us before. Scores of homes are open to us and through us to Christ's salvation. Hundreds who have been interested may be won to full discipleship and an earnest Christian life if the power of Christ's life in the Church shall be felt, as He longs to manifest it in all its redeeming power. We have no might for this great work, but God has, and He *delights to give;* may He also make us *willing to receive* and help us to be faithful to the trust committed to us.

DEACON'S 30TH ANNUAL REPORT.

Another milestone in the history of this Church has been reached, and as we review the year just closed we feel we have reason for profound gratitude and thanksgiving to our Heavenly Father for the kind way in which He has lead us as Pastor and people and the continued assurance he has given of His presence with us in all our Christian work. Not until within the past few weeks has there been any very marked spiritual interest manifest in our midst, nevertheless the faithful labors of our Pastor, together with the work of the various organizations connected with the Church, have been characterized by much earnestness and zeal, and we believe the harvest so recently garnered has been largely due to the faithful sowing of the seed during the past months of the year. Should we not be encouraged to greater faithfulness in the Master's work knowing we shall surely reap if we faint not?

The Sabbath services have been regularly held throughout the year, acceptable pulpit supplies being furnished during the absence of our Pastor. The morning congregations have been steadily increasing in numbers, and since the summer vacation have been unusually large. The Choral Society has done much to increase the interest and has thus insured a better attendance upon the evening service.

The average number present at our Wednesday evening prayer meeting has been greater than in former years, and the excellent subjects selected by the Pastor for our consideration have yielded much of helpfulness and inspiration. The papers furnished us on the occasion of the Monthly Concerts have been exceedingly interesting and instructive.

Perhaps the most important organization connected with the Church is the Sabbath School; under the efficient leadership of Mr. Tewksbury and his Assistants, with the earnest, faithful, loving labors of the teachers, it has accomplished very much in leading

the young to a knowledge of Christ's teachings, and the results of these faithful instructions will never be known this side of Eternity. At each Communion Season we have rejoiced to welcome some from the Sabbath School into our fellowship, and we look forward with great hope and joy for still larger accessions to our numbers from this source. Reports from the various societies will acquaint you with what has been accomplished in the different departments of Church work but we can not but speak in the highest commendation of the grand work done by the Society of Christian Endeavor. This organization embracing considerably over one hundred consecrated young men and women has held weekly meetings throughout the year, and its members have developed a spirit of self sacrifice and aggressiveness in their work for Christ which might well be imitated by all.

Our Church has sustained its usual benevolent work throughout the year which has been reported to you in detail this evening.

This Church was represented at the International Council of Congregational Churches held in the City of London early in June, by our Pastor and Prof. Fisk, who were both active workers on several prominent committees. By special request they gave us at one of our Wednesday evening meetings an interesting and graphic account of the proceedings of the Council; also their estimate of its beneficial results.

We report with much satisfaction the growth and prosperity of the two branches of this Church.

Mr. James has had charge of the services at Oakley the larger part of the year and by his sympathy with the people and his earnest Christian spirit has endeared himself to them and has accomplished much in arousing an interest among the members in the work. Miss Spence has also been an indispensable worker in this field. A very gratifying increase in the numbers present at the various services has been noticeable.

The outlook for the Porter Memorial Branch was never so promising as now. Under the leadership of Mr. Smith, as Pastor, assisted Mr. Dorr, who has so long been the faithful Superintendent of the Sabbath School, a good work has been done. Twelve were received into the Church at the last Communion, nearly all from

the Sabbath School. On the lot purchased last year a building has been erected and as a result of the indefatigable efforts of our Pastor, Mr. Jenkins, and others, $11,000 was raised for this purpose and the Church was dedicated with appropriate services the last Sabbath in November *free from debt*. A result for which we should be truly grateful. A remarkable feature connected with the dedicatory services was the presence of the Rev. Jeremiah Porter whose name the Church bears. He was Pastor of the first Church established in this City when its population was only 300. With more pleasant surroundings and greatly increased facilities we believe the growth and permanency of this Church is fully assured.

While we thus review the work of the year just ended and plan for more efficient service for the Master in the year to come, eleven of our number have severed their relations with this Church, and as we are confident are now engaged in the higher activities of the Church above.

Ralph Hathaway Pierce died January 15, aged 22 years. He united with this Church June 27, 1886, but was absent from this City several years before his death.

Mrs. Zoe Swishelm Allen died March 2; she came to us by letter, January 5, 1872. She possessed remarkable social graces and was the only daughter of the well-known Mrs. Jane Grey Swishelm.

Mr. Artemas Blake died March 31, aged 77 years. He joined this Church September 13, 1868. He was a man of sterling christian character and of mature christian experience. He was always interested in the success of the Church, and though he had long been feeble in health, was a regular attendant at Church service. He died strong in the hope of a glorious immortality.

Mrs. Mary Mead French entered into rest April 1, having been received into the membership of this Church by special vote only a few weeks before when unable from illness to be present; but for years she had been as truly identified with all the Church interests. Failing health made it impossible for her to do much outside her home, but no appeal to her for sympathy or substantial help was ever made in vain. She loved the Lord's work, and the Home Mission Work was especially near her heart.

Mrs. Frances Perce Sears died April 6, aged 63 years. She became a member of this Church June 30, 1872, and was always deeply interested in its welfare and took an active part in its work so far as health and strength permitted. She had a genuine Christian experience and an intelligent interest in the Lord's work.

Mrs. Elizabeth Ross Hicks died June 19, aged 67 years. Although her residence among us was less than a year her influence had been felt in the Church as a woman of rare christian culture and experience. One who had walked very close to the Master and of whom it might truly be said that she sought first the Kingdom of God and His righteousness. Blessed with the training of a devoted christian mother; her early married life was spent as the wife of a home missionary in the West. Through the trials of that life, and early widowhood, leaving to her alone the care and training of a large family of children, she learned to know by a rich experience the Lord's faithfulness to His promises, and the blessedness of trusting Him for everything, and was always looking for opportunities to reach other souls and help them into the same blessed faith.

Mrs. Harriet Whittlesey Wagner died July 30, at the age of 27. She became a member of this Church upon confession of her faith at the age of 17, and her whole after life showed the sincerity of the consecration then made. Combining rare sweetness and strength of character with a love that laid all at the Master's feet, she was a valued helper in many departments of Church work. The Christian Endeavor, the Missionary and Mission School work were especially dear to her, and the memory of her sweet, earnest life will abide with her associates *there*, as well as in the home of which she was the light and joy—an inspiration to all that is highest and purest in christian living.

Mrs. Elizabeth F. Dimock died September 24. She united with the Church November 2, 1890, by letter. She was Superintendent of Drawing in the Public Schools. She was very earnest and faithful in all her duties, a regular attendant at Sabbath service, and gave good evidence of her faith in Christ.

Mrs. Mary Chapin Litten died September 28. She came to us by letter, May 6, 1883, and for 8 years her gentle, earnest

christian influence had been felt among us. A loving and devoted wife, daughter and mother, she was just as loyal to the interests of her Church home. The Saviour's power to sustain and comfort were abundantly shown in her patient, cheerful endurance of pain and weakness, and the serene faith with which she accepted God's will and committed to His care the loved ones left behind.

We cannot close this report without referring to the meetings recently held by Mr. Mills, the events of which are so fresh in the minds of us all. Early in the Spring arrangements were made with Mr. Mills to hold a series of Union Revival Meetings during the month of November; seventeen Churches subsequently uniting in this invitation. Mr. Mills, who was assisted by Mr. Greenwood, as singer, commenced his labors November 3, continuing them nearly four weeks. For the first two weeks evening services were held in this Church, afterward in the Third Presbyterian. The attendance was large and from the first God's Spirit seemed to be working upon the hearts of many, especially among the young and quite notably those connected with the Sabbath Schools of the uniting Churches. Very early in the progress of the meetings large numbers publicly expressed their desire to become followers of Christ.

The interest increased from week to week until from among those connected with the various Church Societies, as well as from those outside the Churches, we have reason to believe many hundreds, possibly thousands, have been led to accept Christ as their Saviour and are now rejoicing in His love. Professed Christians have renewed their consecration and have been aroused to greater zeal in the service of the Master. The results of these meetings will long be felt in this community.

REPORT OF TRUSTEES.

UNION PARK CONGREGATIONAL SOCIETY

OF CHICAGO, ILLINOIS.

To the Union Park Congregational Society:

Your Trustees herewith submit their annual report for the year ending this day.

The report of the Treasurer shows that the receipts of the Society for the year have been as follows:

From pew rentals	$9,253.39
From Sunday collections	1,217.00
From other sources	1,010.00
Total	$11,480.39
Adding cash on hand December 9, 1890	83.55
Total on hand and received	$11,563.94
The disbursements have been	13,006.37
The deficit being	$2,442.43

Of which amount $1,000 is due the Royal Trust Co., and $1,442.43 due the Treasurer.

There are yet due and unpaid pew rentals amounting to $1,025, of which we consider $800 good, and which will probably be paid within the first quarter of next year, which will reduce the present deficit to about $1,650.

The receipts have been somewhat less, and the expenditures about as estimated in our last report, the receipts from ordinary sources falling about $2,500 below ordinary expenditures.

We estimate the receipts for the coming year from ordinary sources at $11,000; while the outgo upon the basis of expenditure for the past few years will be about $13,000 for ordinary purposes.

Your Trustees have in several reports referred to the condition of the heating apparatus of the Church, but have so far succeeded in getting along without serious breakage or expense in keeping it in use. We have, however, reached a point when prudence suggests the necessity of a nearly complete renewal of the pipes, and a change in the system. We have had estimates made of the cost, which, with an additional boiler thought necessary, would be about $4,000.

No part of the assessments for widening and paving Ashland Boulevard has been paid, but some part should be paid during the coming year. In fact it will probably be necessary that some part be paid to prevent a sale of the property.

We recommend the following appropriations for the coming year:

Pastor's salary	$6,000.00
Church visitor	600.00
Janitor's salary	840.00
Blowing organ and Janitor's assistant	200.00
Sunday School	300.00
Treasurer	250.00
Music	3,000.00

Respectfully submitted,

THE BOARD OF TRUSTEES,

I. N. CAMP, *Chairman*,
H. H. ALDRICH, *Secretary*.

Congregational Sunday School and Publishing Society,

BOSTON AND CHICAGO.

BOOKSELLERS AND PUBLISHERS.

Besides Sunday School Supplies, all such Books as Ministers, Sunday School Teachers and Christian Families need, may be found at our stores.

The circulation of the PILGRIM SERIES of SUNDAY SCHOOL LESSON HELPS and Periodicals, published by our Society, has made the following remarkable gains:

In 1883, it was 119,000; in 1886, 316,000; in 1891, nearly 700,000.

Last year the bookstores of the Society paid over several thousand dollars in cash to the Missionary Treasury to push Sunday School Mission work.

If all Congregationalists turned all possible business their way, the sum would be twice as large next year.

WHITE ROCK WAUKESHA WATER

THE only Spring in Waukesha that flows from SOLID ROCK, thus making this Water the best of all Waukesha Waters.

This Water flows from a fissure in the solid rock, which underlies all the land in the vicinity, cropping out only at this place, suggesting the name, "White Rock Spring."

Being so situated this Spring is not contaminated by sewerage, drainage, or high water setting back from the river, which accounts for its absolute freedom from all organic matter.
